MVA DUE DATE FOR COURSE _____

Policies:

1) Student is required to arrive on time, stay for the entire course and pass the tests.
2) Student must provide EMDS with his/her driver's license number. If the student does not provide the number, Easy Method Driving School cannot notify the MVA that the student has completed the course. The student agrees that Easy Method Driving School will not be responsible if his/her license is suspended for non-completion of required course.
3) Student must present MVA letter to Easy Method Driving School for verification that he/she is taking the correct course. If the student does not present the letter, the student agrees that Easy Method Driving School will not be responsible if their license is suspended for not completing the correct course.
